FROM THE LSC BOARD OF DIRECTORS:

The First Board Of Directors Meeting Is Scheduled For Thursday, October 26 At 10 AM.

ROAD WORK PROJECT

The road work will be starting in October, 2017. This will be in progress for 6-9 weeks as determined by the weather. Large equipment will be in and about the park. Be prepared to be inconvenienced at times. We will notify members the day ahead of their street being worked on. Plan ahead so as to not have to leave except for doctors' appointments or an emergency situation for the duration of your street work. Roads will not be impassable but limited use will be appreciated. Please be cautious and respectful of the work crew. Any problems or questions please address them to. Faye Eiff lot 117 or call 210-844-8494 or 830-363-2253. If I'm not available contact Sally Baber. Thank you for your cooperation during this time period. Faye Eiff, Lot 117

INDIVIDUAL DRIVEWAYS OR PADS

While our park roads are being done Chester(MGMC) has offered to do driveway or pads. At a cost of .25 per square foot, and each individual is responsible for payment. This will include sweeping the area to be done and chip and seal applied. This will be identical rock and seal as is used in the park. Approximately 1/2 inch thickness on top of present chip and seal there. Anyone wishing to have this work done please notify me Faye Eiff 210-844-8494 or by email. eiffaye@gmail.com. If you are in the park, payment is due on completion of your lot. Those out of park, I'll see that your invoice gets to you with address to submit payment upon receipt of invoice. Thank you, Faye Eiff.

WHEN IN TROUBLE, FEAR OR DOUBT, RUN IN CIRCLES, SCREAM AND SHOUT !!

No, no, if the LSC has a power outage, DON'T do any of that!! Here is what to do instead! Contact the person whose emergency phone number is on the sign that is on the front door of the park's Office. If that person can't be reached or is not in the park, go in the Office lobby. There is a bulletin board on the left hand side of the inner door. On that bulletin board are the instructions **on how to report a power outage in our LSC**. Be sure to give the Park's phone number to the person at the electric company so that they know the park's location. *Liz Pearce, Editor*

MEDINA COUNTY FOOD PANTRY

The Medina County Food Pantry is extremely low on food at this time. Otto and I are collecting items for the Pantry. There is a collection container against the east wall of the Clubhouse for any donations you would like to give. Right now, canned green beans, canned peas and canned soups are needed the most. Please give generously to those in need. Thank You.

All proceeds from your order go to the Bluebonnets to support activities and functions for all. Jerry Lamont
