CORRAL NEWS

It's that time again for the Fiddlers to come to the Lone Star Corral to entertain us. Some of you may not know who the Fiddlers are. They're a group of men and women who get together to enjoy good country music. You'll hear fiddles (of course), guitars, accordions, harmonicas, etc. along with many singers. If you would like to join in by singing or playing an instrument, just put your name on the board. All are welcome.

The Fiddlers will be here on the **18th of November**. The program will start at 11 AM and run to about 4 PM with a break in the entertainment around 12:00 to eat lunch. Please bring a dish to share with others for lunch. Donations are also welcome to defer the costs of plates, utensils, etc. which are provided by the Fiddlers organization. Other dates for the Fiddlers to come to the park are December 9th, 2017 (Fiddlers Christmas party) and January 20th, 2018.

WANTED

Regular poker (my preference) or Texas hold-em. One night a week. Reasonable buy in. Would like to have at least 5 players.

LABELS FOR EDUCATION

Park members save Labels for Education to give to D'Hanis School. The school uses the money they get for these labels to buy reading prizes for top readers in pre-K through 8th grades and for Library books. The labels are found on General Mills cereal and other products. Some companies have stopped participating in this program so I'm not sure what other products have the labels so please check products you buy for them. There is a container on the credenza on the south side of the **Clubhouse** to deposit the labels. I will take the labels to the school the end of November. In May of this year, I took 581 labels so please save as many as you can. Thank you, Patti Hunter, Lot 53

USED PRINTER CARTRIDGES

Park members save used printer cartridges for D'Hanis School. The National Honor Society uses the money they get for ceremonies and other projects. There is a container on the credenza on the south side of the clubhouse to deposit the cartridges. I will take the cartridges to the school the end of November. In May of this year, I took 94 cartridges so please save as many as you can. Thank you, Patti Hunter, Lot 53

LADIES LUNCH BUNCH

A small group of ladies, nine in all, braved the cold, wet weather and drove to Bandera. We ate at Mendoza's restaurant on Hwy. 16. Food was good for the most part, but enjoying the camaraderie was great! Next month we will go to Brick's. We have gone there in December for the past few years. The food is very good, ambiance is enjoyable, and they even put up a Christmas tree for the season. Consider joining us. I will put a sign-up sheet on the table in a week or so. On another note, I would like to ask whoever took the first page or two of the menu from Mendoza's to please return those pages. I do put the menu in our restaurant book and not having the front page would be unfortunate. Submitted by Diana Stone, Lot #94
