INTRODUCING NEW OFFICERS!!

I am very happy to introduce the new officers for the Lone Star Corral Landscape Committee. Together, **Sherry Bruce** and **Barbara Richardson** have volunteered to head the committee as co-chairpersons. Barbara is a seasoned member of the committee, and Sherry is a brand new lot owner/member of Lone Star Corral. Both are very interested in the appearance of our park and together will lead the committee in the coming months as we all strive to make and keep the plants, trees and grounds looking their best. They will notify committee members of upcoming meetings or work days. If you would like to join this committee, please add your name to the list on the bulletin board just inside the south door of the Clubhouse. Everyone is welcome to join. The more, the merrier.

Do you know that there are large white boards in the kitchen that are not meant for cutting on (although they work for that also)? The boards are to be placed under the roasting pans to keep the heat off of the nice kitchen counters that we have. These boards are located in the corner to the left of the exit. Please use them whenever you place a roaster on the counter.

BLUE MOON RISING

ON **WEDNESDAY JANUARY 31, 2018, BY 6:00 PM**, we will gather at the fire ring on the Clubhouse's front lawn to watch the Blue Moon rising. Bring your own chairs and beverage. Popcorn will be available at the Clubhouse. Binoculars are a good idea. John Hoyle will tell us some interesting facts about what we might see and not see, in the night time sky.
