FOOT NOTES FOR PROPOSED STANDING RULES REVISION

Your Election Packets contain a copy of the Proposed Standing Rules Revision being submitted, for a vote, at the LSC Annual Membership Meeting on February 22, 2018. This document was read and discussed during a Forum on November 29, 2017. Foot notes were compiled as a result of that Forum and available from Beverly McDowell, Lot 127.

The Bread Baking class scheduled for February 10, 2018, Saturday, has been cancelled. Keith apologizes, but he has a hard time standing with his back and doesn't feel he will be able to do it at all.

February 14th, yes, Valentine's Day, is the next date set for our Ladies' Lunch Bunch gathering. We will carpool to Bandera for lunch at Samantha's of Bandera. I spoke with Chef Patrick who said he will be pleased to accommodate our group. Although the menu does not indicate the sides for the Lunch Specialty Sandwiches, he said the sandwich plates include Fries, Cole Slaw and a pickle. He further indicated he would include tea for the ladies. This luncheon may prove to be special so be sure to sign up in the Clubhouse and invite your neighbors and visiting guests. For the drivers who are not familiar with this location, turn right on Hwy. 16 at the stop light, and proceed to the Lodge at Bandera. It will be on your right and a sign for both the Lodge and the restaurant are near the corner. When you come to the strip shopping center where we previously had lunch at the Mexican restaurant and also the Italian restaurant (Pap's Grill), you will see the Lodge. They do have a website that you might want to view.
