

CORRAL NEWS

The Weekly Newsletter of the Lone Star Corral, Hondo, Texas
April 27, 2018

Dear Readers,

*This is the last issue of the CORRAL NEWS until the Fall. Thanks to everyone for your contributions. Your support makes my job an easy one. Special thanks to Ruth Postel for volunteering to be proofreader for the **CORRAL NEWS!***

If you are fixing to leave the LSC for a while, I want to wish you Happy Trails and safe travels. See you in the Fall.

Liz Pearce, Editor Ruth Postel, Proofreader

FROM THE OFFICE:

OFFICE HOURS:

Monday thru Friday	8:30 am - 12:00 noon 2:00 pm- 4:30 pm
Saturday	8:30 am - 12:00 noon
Sunday	CLOSED

FROM THE BOARD OF DIRECTORS TO THE LSC MEMBERSHIP:

The Record Books for 2013 & 2014 & 2015 are missing from the library. Perhaps someone has 'borrowed' them, and forgotten they were in their shed. Would they please return them to the library? Sure would be helpful in trying to learn the history of the CO-OP, and actions of past Board of Directors and members at Annual Membership Meetings. They should also contain correspondence of the park.

I would sure appreciate it.

Kathy Trice, BOD Treasurer

CONSTRUCTION AND MAINTENANCE COMMITTEE:

The Construction and Maintenance committee will be building two prototype corner protector fences. They will be placed on the two north corners of the Clubhouse green. This should be completed in the next two weeks.

We ask that you look at them and give us your feedback. If they are acceptable they will replace the cement blocks and landscape timbers on all corners in the park. We do plan to either paint or stain them after the wood has dried out over the summer.

Please address your comments to either John Swatloski or Wayne Baber on the Construction and Maintenance committee.

Thank you.

MOVING IN-

Welcome new members Leonard and Barbara Chase, Lot #3 and Mike and Brenda Coghill, Lot #67. Please add their names and lot numbers to page 24 of the 2017-2018 Directory so you will have a record of newest members.

Thank you,
Sherri Rockett
Membership Committee

LABELS FOR EDUCATION AND USED PRINTER CARTRIDGES:

On Wednesday, April 25, 2018, Gene and I took 359 Labels for Education and 114 Used Printer Cartridges to Linda Cote, Librarian at D'Hanis School. She was grateful to receive all of them. She says they only get about half of the Labels for Education that they have gotten in previous years due to some products not participating any longer in this project. Please look for the Labels on products you buy and please save them during the summer and fall. I will take both of these items to the school again in late November.

We also took 6 pictures puzzles from our clubhouse to the Library at D'Hanis school. Cyrisa Grimes asked me to go through the ones we have and take some to the school. Ms. Cote says the children really enjoy them.

Thank you for your participation, Patti Hunter, Lot 53

THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU!

A big **THANK YOU** to Claude Stone for all the effort he has invested in our Ladies' Lunch Bunch. Claude does the preliminary investigation of the proposed restaurant; talks to the management to see if our group can be accommodated, obtains menus and other pertinent information. His efforts make our outings a success!

Submitted by Diana Stone, Lot #94

Reservations have been made for *Ladies' Lunch Bunch* on **Wednesday, May 9, 2018**. We will drive to OST in Bandera. A sign-up sheet is available in the Clubhouse. For those who will be here all summer, do not let the heat keep you home. We enjoy each others' company and a nice lunch the 2nd Wednesday of each month, year round. See you then!

Hill, Lot 38; Platte, Lot 76; Matthews, J, Lot 80; Gow, Lot 124**

CORRAL NEWS

LANDSCAPE COMMITTEE: Thanks to all helpers this season that worked with landscaping. This year included: cut old dead crape myrtle, grind 4 old stumps, remove old cactus and cut back Spanish dagger, adopte-a-spots cleaned up and common areas not adopted also cleaned up. Crape myrtles trimmed; Drip system on the pots at south door of clubhouse, and herb garden, with timers and labels; Cut back of ivy around tree by the herbs; CA18 is last one on my list to be done. Now we need tree trimmer to come and trim back a few common area trees that are on sheds and A/C and over the road, as they do not have clearance for rigs. I hear good comments. Park is looking good.

Sherry Bruce, Chair

Barbara Richardson, Vice Chair
