Evaluation

LOT # 20

October 29, 2024

The evaluation was done by the Lonestar Corral Co-Op Evaluations Committee.

The lot is located on the West side of Private Road 5247, The 'shed' faces East and measures Approx. 12' X 24' This maximum sized shed has an open concrete patio/front porch measuring 8' X 24" and an additional concrete walkway. Driveway pad is partial concrete in the parking areas. Lot has a 120 gal. propane tank, inspected 8-27-24.

The shed has a serviceable metal roof in good condition. Sided with painted cementous board. Locking sliding patio door in East wall off porch.

Shed is wood framed sitting on a concrete slab. Shed features a large interior main room finished in paneling with OSB ceiling in good condition. Flooring is vinyl plank. There is thru-wall air conditioner in the North wall. Double-hung windows (West and North) with mini-blinds. Main room has a ceiling fan.

Pest inspection was last completed 8-27-2024

Room #2 is a work shop accessible thru exterior door in South wall. A standard pull-down attic access, misc. shelving, a work bench along west wall and one double-hung window over work bench.

The lot inspections are done by amateur volunteers on the "Lot Improvement Committee." They endeavor to do their best, but on occasion, things needing repairs are missed. If for no other reason, we strongly recommend that prospective buyers visit the park and inspect the property personally. There are pictures of the lot and shed available that we suggest you take advantage of at the bare minimum. Lot is being sold "As Is".
